W. J. WEIR, Sales Engineer, Chase Brass and Copper Company, 1121 East 260th Street, Cleveland, Ohio, stated that he was ordnance officer in charge at the United States Naval Dry Docks, Terminal Island, San Pedro, California, when DANZIGER was transferred from San Pedro to Washington, D. C. in April, 1945. WEIR advised that DANZIGER was employed as a designing engineer at Terminal Island and was there when WEIR arrived as ordnance officer in charge. WEIR stated that DANZIGER had a Civil Service rating of P-4, and wanted a rating of P-5. He stated to WEIR that he could do better work if he were not dissatisfied with his salary. WEIR, after conference with his superior, Captain H. T. KOONCE, decided that it would be better for all concerned if DANZIGER were transferred from Terminal Island. Accordingly, arrangements were made for DANZIGER's transfer to the Bureau of Ordnance, Washington, D. C.

WEIR stated that he did not know DANZIGER socially, nor did he know anything of his family background. He only contacted him during office hours. During these contacts, WEIR had no indication that DANZIGER possessed sympathies which were disloyal to the United States, and as far as he knew, he believed DANZIGER to be a loyal American. WEIR stated that Captain H. T. KOONCE is now a specialized instruction officer at the Bureau of Ships, Washington, D. C. WEIR stated, however, that Captain KOONCE had little or no contact with DANZIGER and would not know him as well as did WEIR.

III. Results of Investigation

Mr. GEORGE O. CORFIELD, electrician at the Boston Navy Yard, Charlestown, Massachusetts, advised he knew DANZIGER when they both worked at the Terminal Island Naval Shipyard, San Pedro, California. This acquaintanceship was of two years duration; and during this period CORFIELD considered DANZIGER and his wife to be "better than average class of people." Neither DANZIGER nor his wife had given CORFIELD any reason to doubt their loyalty; and, in fact, he believes they are both loyal American citizens especially in view of the position that DANZIGER held as Ordnance Designer at Terminal Island.

CORFIELD stated he did not know the DANZIGERs prior to meeting them in California, and he has not seen nor heard from them since he left California. He further stated that his dealings and contacts with DANZIGER were mostly of a business nature with the exception of a few social calls.

TITLE WILLIAM (HEN) DANZIGER, Ordnance Engineer, Bureau of Ordnance, Navy Department Washington, D. C.			CHARACTER OF CASE LOYALTY OF GOVERNMENT EMPLOYEES

SYNOPSIS OF FACTS:

SYLVIA DANZIGER, wife of employee, is a member of the Communist Party having transferred her membership from New York City to Long Beach, California in the Harbor Section of the Los Angeles County Communist Party on 3-29-43. Her membership was transferred from Los Angeles County during March 1945. Information received indicates employee was transferred from Naval Dry Dock, Terminal Island, California, because he was dissatisfied with salary, however, there is possibility that was not true reason. Former fellow employees describe DANZIGER as loyal American. One former neighbor and his wife executed signed statements in which they stated DANZIGER and wife were insistent that principles of Communism were right and had, during discussions, pointed out advantages of Communism over the form of government in the U.S.A. Other former neighbors advised that DANZIGER and wife had not displayed any disloyal tendencies. Police and credit records failed to disclose any information pertinent to a determination of DANZIGER'S loyalty.

Mr. STERLING S. SILVERS, residence 2187 West 19th Street, Long Beach, California, who is employed as an Ordnance Engineer in the Designing and Planning Section of the Ordnance Department, U. S. Naval Dry Dock, Terminal Island, California, advised that he has known DANZIGER for a period of five years and that he was associated with DANZIGER in his work during the period that DANZIGER was employed at the Naval Dry Dock. Mr. SILVERS said that he worked directly under DANZIGER'S supervision during 1943 and 1944 and as a result of his association with DANZIGER he had occasion to discuss business matters with him on numerous occasions. All during this period Mr. SILVERS stated he had never heard DANZIGER make any statements which would indicate to him that DANZIGER was other than a loyal citizen.

Mr. R. E. McDOWELL, residence 4515 Atlantic Avenue, Long Beach, California, telephone Long Beach 27900, who is supervisor in charge of the Planning and Estimating Section of the Ordnance Department, U. S. Naval Dry Dock, Terminal Island, California, advised he has known DANZIGER for a period of five years and that he was closely associated with DANZIGER in connection with his work, from 1943 to 1945. McDOWELL said that as a result of their association he had had many discussions with DANZIGER concerning their work. He said that DANZIGER was very much interested in his work, had a good knowledge of the administrative details and was always anxious to complete any job ahead of the deadline set by the yard. McDOWELL further said that during conversations with DANZIGER he had never heard DANZIGER say anything that would indicate to him that DANZIGER was other than a loyal citizen. McDOWELL stated, however, that he was not in a position to actually state that DANZIGER was a loyal citizen inasmuch as a test had never arisen during their discussions upon which he could base such an opinion.

McDOWELL further said that he had visited DANZIGER'S home on several occasions at which time Mrs. DANZIGER was present. He stated that during conversations between DANZIGER and himself Mrs. DANZIGER had never entered into the conversations and therefore he was unable to furnish any information bearing on Mrs. DANZIGER'S loyalty.

Mr. CHARLES ANDREW LANDRY, residence 4466 Linden Avenue, Long Beach, California, telephone Long Beach 24659, who is employed in the Planning Section of the Ordnance Department, U. S. Naval Dry Dock, Terminal Island, California, stated that he has known DANZIGER for a period of approximately five years. LANDRY said that during the time DANZIGER was employed at the U. S. Naval Dry Dock he, LANDRY, was employed in the machine shops as a leading man, which is comparable to a foreman, at which time he worked on installations of plans which were submitted to him from the section in which DANZIGER was employed. He stated that as a result he had frequent contact with DANZIGER. LANDRY further said that DANZIGER was a very energetic individual, and because of his complete knowledge of the work he was doing he finished many jobs quickly and efficiently and ahead of schedule. LANDRY said that during conversations he had with DANZIGER nothing was said by DANZIGER which would indicate that he is other than a loyal citizen.

Mr. WILLIAM GRIMES, residence 1547 Seguro Court, San Pedro, California, telephone Terminal 21544, stated that he has known DANZIGER for a period of five years, having been Assistant in Charge of the Planning and Designing Section of the Ordnance Department, U. S. Naval Dry Dock, Terminal Island, California, during the period of DANZIGER'S employment at that yard. He stated that he had frequent contact with DANZIGER and that from his observation of DANZIGER, he felt that he was a loyal American citizen. GRIMES is presently in charge of the Planning and Designing Section, Ordnance Department, U. S. Naval Dry Dock, Terminal Island, California.

Mr. GRIMES stated that HAMILTON H. DOW, who was formerly employed by the Planning and Designing Section of the Ordnance Department at Terminal Island, was a very close friend of DANZIGER'S, both socially and in connection with his employment. DOW is presently residing in Washington, D. C.

Mr. LAWRENCE E. MICHELSEN, residence 2455 Eucalyptus Avenue, Long Beach, California, telephone Long Beach 44373, who is employed in the Machinery Designing Section of the Ordnance Department, U. S. Naval Dry Dock, Terminal Island, California, advised he has known DANZIGER for a period of five years and that he was associated with DANZIGER in their work when DANZIGER was employed at the Naval Dry Docks at Terminal Island.

MICHELSEN advised that from conversations he had had with DANZIGER, he felt that DANZIGER was unquestionably a loyal citizen. He stated that DANZIGER was a very aggressive individual and was always endeavoring to promote better fellowship among his fellow employees and always had defended the rights of the employees in the yard concerning questions of policy and facilities used by the employees.

It was further stated by MICHELSEN that JOHN M. FARRER, formerly a Naval architect in the Planning and Designing Section of the Ordnance Department, Terminal Island, was a close associate of DANZIGER and is presently residing in New York City.

Mr. W. H. KEMER, residence 2130 Barnolia Avenue, Long Beach, California, telephone Long Beach 675521, who is employed as Administrative Assistant in the Planning and Designing Section of the Ordnance Department, U. S. Naval Dry Dock, Terminal Island, advised that he has known DANZIGER for a period of five years and that during the period of from 1943 to 1945 he was closely associated with DANZIGER in connection with their work at the yard.

KEHR said that on no occasion had he ever heard DANZIGER make any statement, nor had he heard any of the fellow employees make any statement concerning DANZIGER which would reflect in any way on DANZIGER'S loyalty. Mr. KEHR stated, however, that he had been advised when DANZIGER transferred from the U. S. Naval Dry Dock, Terminal Island, his transfer was effected because DANZIGER was dissatisfied with his salary scale. KEHR stated that DANZIGER'S transfer had apparently been occasioned because of his dissatisfaction, but he had always felt that there were other reasons but could never ascertain what these reasons were.

It was further stated by KEHR that the individuals who would be in a position to furnish information concerning DANZIGER'S transfer would be Captain F. M. EARL, USN Retired, who was Commandant of the yard during the period of DANZIGER'S employment; Captain MERRY BOONCE, USN, who was Plan Officer at the U. S. Naval Dry Dock, Terminal Island, California during DANZIGER'S period of employment, and who is presently residing in Washington, D. C., and Commander W. J. WEIN, USNR, who was Ordnance Officer in Charge and is presently residing in Cleveland, Ohio.

Captain F. M. EARL, USN Retired, 47 Angelo Walk, Long Beach, California, advised he was Commandant at the U. S. Naval Dry Dock, Terminal Island, California, during the period of DANZIGER'S employment. He advised, however, that he did not recall DANZIGER and could furnish no information reflecting on his loyalty or concerning DANZIGER'S transfer from the Naval Dry Dock.

Mr. HERMAN COLLAS, Assistant Manager, Banning Homes, San Pedro, California, made available the records of Banning Homes, a Government housing project, which revealed that DANZIGER resided at 905 Senate Drive, from April 8, 1943 to May 31, 1943. Records for the building at which 905 Senate Drive is located were reviewed and it was determined that each apartment in the building has been occupied by numerous families since May 31, 1943, the day on which DANZIGER vacated the premises, and no individual residing in the building at the present time was residing at that location between April 8, 1943 and May 31, 1943.

In view of DANZIGER'S short period of residence at 905 Senate Drive, San Pedro, California, it is not deemed advisable to endeavor to locate, for interview, individuals who were his former neighbors.

Mrs. J. W. McDONALD, 2282 Belmont Avenue, Long Beach, California, telephone Long Beach 31014, advised that she was acquainted with DANZIGER and his wife during their period of residence in the neighborhood from 1943 to 1945. Mrs. McDONALD stated that she had talked with DANZIGER on many occasions and that she had never heard him make any statements which would reflect on his loyalty. She stated in her opinion she felt that he is a loyal American. It was further stated by Mrs. McDONALD that several of the wives in the neighborhood, during the period the DANZIGERS resided at 2270

LA 121-254

Belmont Avenue, belonged to a sewing club, and that they had weekly meetings which were held at one of the member's homes. Mrs. McDONALD said that during her association with Mrs. DANZIGER she had never had any occasion to believe that Mrs. DANZIGER was other than a loyal American citizen.

Mrs. FAY TEMPLEMAN, 2275 Belmont Avenue, Long Beach, California, stated that she knew Mr. and Mrs. DANZIGER during their period of residence at 2270 Belmont Avenue from 1943 to 1945, and that she had on many occasions conversed with DANZIGER. She stated that from her association with DANZIGER she judged he was a loyal American, however, no occasion had ever arisen during her conversations with him on which a test had arisen to determine actually whether or not he was disloyal in any way. Mrs. TEMPLEMAN further said that she was a member of the sewing club to which Mrs. DANZIGER belonged and that as a result of their membership she was closely associated with Mrs. DANZIGER. She stated she had had many discussions with Mrs. DANZIGER and that nothing had ever been said which would lead her to believe Mrs. DANZIGER was other than a true loyal American citizen. She said, however, that on one occasion Mrs. DANZIGER had said that while they, the DANZIGERS, were residing in New York City they had "many colored friends."

Mrs. MARY REDFORD, 2278 Belmont Avenue, Long Beach, California, advised that she has resided at that address for approximately seven years and that she was acquainted with DANZIGER and his wife. She stated however, she was not sufficiently acquainted with them to be able to furnish any information reflecting on their loyalty.

Mr. KEHN stated, however, that he had been advised when DANZIGER transferred from the U. S. Naval Dry Dock, Terminal Island, his transfer was effected because DANZIGER was dissatisfied with his salary scale. KEHN stated that DANZIGER's transfer had apparently been occasioned because of his dissatisfaction, but he had always felt that there were other reasons but could never ascertain what these reasons were.

Mrs. TEMPLEMAN further said that she was a member of the sewing club to which Mrs. DANIELER belonged and that as a result of their membership she was closely associated with Mrs. DANIELER. She stated she had had many discussions with Mrs. DANIELER and that nothing had ever been said which would lead her to believe Mrs. DANIELER was other than a true loyal American citizen. She said, however, that on one occasion Mrs. DANIELER had said that while they, the DANIELERS, were residing in New York City they had "many colored friends."

Mrs. MARY REIFORD, 2278 Belmont Avenue, Long Beach, California, advised that she has resided at that address for approximately seven years and that she was acquainted with DANIELER and his wife. She stated however, she was not sufficiently acquainted with them to be able to furnish any information reflecting on their loyalty.

The April issue of the "Bookshopper," official monthly publication of the Washington Cooperative Bookshop, 916 17th Street, N. W., Washington, D. C., carried an article headed, "Washington Has Inter-Racial Nursery." The article follows:

"The Women's Auxiliary of the United Public Workers of America - CIO has recently opened an inter-racial nursery school project.

"The nursery will accommodate about 30 negro and white youngsters. Through this project, the Auxiliary hopes to demonstrate to the community the need for the workability of non-segregated education.

"This nonprofit school is held at the Lincoln Temple Congressional Church, 11th and R Streets, N. W., Washington, D. C. It accepts children 3 to 5 years old and is open from 9 a.m. to 1 p.m."

The following persons are listed as officers of the Inter-Racial Nursery School Project by the "Bookshopper": Treasurer, Mrs. SALLY BALICH, 1275 Brentwood Road, N. E.; Mrs. PEGGY KETZMAN, Director at the School; and Mrs. SYLVIA DANZIGER, Chairman, phone no. Hobart 3127.

The Washington, D. C. Telephone Directory lists Hobart 3127 as the phone number of WILLIAM DANZIGER, 1909 19th Street, N. W., Washington, D. C.

Washington T-2, member of the Communist Party who over a long period of time has furnished reliable information, advised that [REDACTED] b7C b7D

[REDACTED] Washington T-2 refused to give a signed statement and would not consent to appear before a Loyalty Review Board.

It should be noted that the Communist Party, USA, appears on the list of organizations named by Attorney General TOM C. CLARK on November 24, 1947 as being within the purview of Executive Order 9835.

Washington T-3, of unquestioned reliability, advised that SYLVIA DANZIGER was a Cashier working at the American Youth Congress Annual Convention in Washington, D. C. on February 7, 8 and 9, 1941.

It should be noted that the American Youth Congress appears on the list of organizations named by Attorney General TOM C. CLARK on November 24, 1947 as being within the purview of Executive Order 9835.

The employee states in his Loyalty Questionnaire that he is a member of the Consumers Union.

The Consumers Union was cited as under Communist control, influenced or in collaboration with the Communist Party by the Committee for Cultural Freedom, Professor JOHN DEWEY, Chairman, April, 1940. Cited as "subversive and un-American" by the Special Committee of the House Committee on Appropriations Report, April 21, 1943 (Page 3) "on its Labor Advisory Board with BEN GOLD, an avowed Communist and leader of the Joint Board Furriers Union, MICHAEL QUILL, LOUIS WEINSTOCK, and other labor leaders." (New York City Council Committee Investigating the Municipal Civil Service Commission, pt. II, p. 81). Cited as a Communist Front organization by the Pennsylvania Commonwealth Council before the Reviewing Board of the Philadelphia County Board of Assistants, January, 1942. At 1909 19th Street, N. W., Washington, D. C., where the employee presently resides, Mr. WILLIAM R. McDONOUGH, Apartment 402, said he has known the employee and his family as neighbors for about two years and that he and Mrs. McDONOUGH until recently have taken care of the DANZIGER children whenever Mr. and Mrs. DANZIGER desired to go out for a social evening. He said, "I consider Mr. DANZIGER to be a left-winger or a liberal." He said he based his opinion to the above statement on the fact that Mr. DANZIGER subscribes to the New York City daily newspaper "P. M." and is a member of the Consumers Union. Mr. McDONOUGH said he considers "P. M." to be "a liberal newspaper" because he believes it customarily sponsors the cause of the consumer and the working man against exploitation by business interests. He said he considers the Consumers Union to be "a liberal organization" because he believes it to be an organization whose efforts are devoted to furthering the extent to which the Government protects the interest of the consumer from false advertising and inferior products which might be offered to the public by business interest.

Mr. McDONOUGH said he considers Mr. DANZIGER to be loyal to the United States form of Government and stated that Mr. DANZIGER's conversations reflect he is very conscientious about trying to properly perform the duties of his job. Mr. McDONOUGH said, "I definitely do not consider him to be radical," and he stated by this he meant, "I do not believe Mr. DANZIGER would have any part in any plan to try to overthrow the United States Government by force or that he would consider such a plan." Mr. McDONOUGH said he knew of no organizations to which the employee might belong other than those

already mentioned. He said he based his statement to the effect that Mr. DANZIGER subscribes to "P. M." and is a member of the Consumers Union on the fact that when in the DANZIGER apartment, he has observed current issues of "P. M." and current publications of the Consumers Union. Mr. McDONOUGH said he preferred not to furnish a signed statement, but he has no objection to testifying before a Loyalty Review Board.

Mrs. MARY ANN McDONOUGH, wife of Mr. WILLIAM McDONOUGH, said that she and her husband were, until recently, good friends of the DANZIGERS. She said that Mrs. DANZIGER is some kind of officer of an inter-racial nursery school for small children of all races, which school is held in the basement of a nearby church, but she was unable to give the exact location or name of the church. She stated that Mrs. DANZIGER is active in advertising various social events, the proceeds of which are intended for the benefit of the inter-racial nursery school. Mrs. McDONOUGH described Mrs. DANZIGER as being without any racial prejudice and as having expressed her gladness over the fact that her four-year-old daughter can attend such a nursery school. Mrs. McDONOUGH said that Mrs. DANZIGER is a member of the Women's Auxiliary of the local CIO Union to which Mr. DANZIGER belongs. However, she did not know the name of the labor union. She also stated that Mrs. DANZIGER regularly attended meetings of this Auxiliary. Mrs. McDONOUGH said, relative to the associates of the DANZIGERS, that practically all of their friends are employees of some branch of the Government in Washington, D. C.; however, she added that from time to time people from California and New York called on the DANZIGERS when they were in Washington, D. C. Mrs. McDONOUGH said that she based this statement on information furnished to her by Mrs. DANZIGER. Mrs. McDONOUGH said she was unable to furnish the names of these individuals. She further stated that the DANZIGERS have two friends in the persons of a well-educated colored woman and her husband and that this couple are frequent social visitors to the DANZIGER apartment. Mrs. McDONOUGH said she understood from remarks of Mrs. DANZIGER's that the colored lady referred to is prominent in the activities of the inter-racial nursery school. She said that Mr. and Mrs. MARK HARRIS, Apartment 605, 1909 19th Street, N. W., Washington, D. C. are very good friends of the DANZIGERS. She said she had no knowledge of anything bearing directly on the DANZIGERS' loyalty to the United States. Mrs. McDONOUGH said she preferred not to sign a statement but would have no objection to testifying before a Loyalty Review Board.

Mrs. M. J. HUGHES, Apartment 704, 1909 19th Street, N. W., Washington, D. C., said she could not make any statement as to the loyalty of the employee or his wife and added that her acquaintance with Mr. and Mrs. DANZIGER had been very limited. She further advised that Mr. and Mrs. MARK HARRIS, who reside in Apartment 605 at the above address, are close friends of the DANZIGERS.

Mr. and Mrs. NELSON BOUFFARD, Apartment 700, 1909 19th Street, NW, Washington, D.C., advised that they could make no statement regarding the character or loyalty of the employee and his wife.

Mrs. MARK HARRIS, Apartment 605, 1909 19th Street, NW, Washington, D.C. said she and her husband have known the employee and his wife for more than two years. The two families became acquainted through Mr. HARRIS and Mr. DANZIGER being members of the same local of the United Public Workers, CIO. Mrs. HARRIS said the DANZIGERS were instrumental in the HARRISES being able to rent their present apartment. She stated the two families see a good deal of each other. Mrs. HARRIS further stated that she knew of nothing which might indicate that Mr. DANZIGER is not completely loyal to the United States and its form of Government. She said that, except for Mr. DANZIGER's membership in the United Public Workers Union, she had no knowledge of any membership which he might hold in other organizations.

It should be noted that a reliable informant advised the Washington Field Office of the Federal Bureau of Investigation that MARK HARRIS, 922 Ridge Road, SE, Washington, D.C. was a member of the Washington Bookshop Association on February 10, 1944.

It is to be noted that the Washington Bookshop Association, also formerly known as the Washington Cooperative Bookshop Association, appears on the list of organizations named by the Attorney General on November 24, 1947, as being within the purview of Executive Order 9835.

The following is a signed statement by SIDNEY HERSH, Bureau of Ordnance, United States Navy Department, Washington, D.C. Mr. HERSH stated that he was willing to testify before a Loyalty Review Board if necessary.

April 13, 1948

"I, Sidney Hersh, give the following voluntary statement to Special Agent Caleb L. Batten, who has identified himself to me as a Special Agent, Federal Bureau of Investigation, United States Department of Justice.

"I have known William Danziger since 1937 when we were both students at the College of the City of New York. I knew him only slightly then and became more familiar and friendly with him during the two periods 1938 to 1941 and 1945 to 1948 (approx.) that he spent working in the Bureau of Ordnance, Research and Development Division where I have been

"employed for the past ten years.

"Mr. Danziger, is a member of the United Public Workers, CIO, in which he holds the position of Steward, Defense branch, Local #3. He is also a member of Group Health, Inc. I believe he subscribes to or is a member of Consumers Union. I can think of no other organization of which he is a member.

"There is no question in my mind as to his loyalty. I am certain that he is completely loyal to the American Government and that he is neither a member of, nor in sympathy with, the Communist Party or the Russian Government.

"I have also met Mr. Danziger's wife and consider her to be loyal to the United States government. I am under the impression that Mrs. Danziger is a member of the Women's Auxiliary of the UPW, CIO. I gained this impression from the fact that she is active in the Inter-Racial Nursery School to which she sends her young daughter.

"I have read the above statement, consisting of this and one other page and to the best of my knowledge it is true and correct.

The following signed statement was furnished by Mr. JOHN C. PHILLIPS, Chief Engineer, Bureau of Ordnance, United States Navy Department, Washington, D. C. Mr. PHILLIPS said he would be willing to testify before a Loyalty Review Board.

"of Justice.

"William Danziger, Ordnance Engineer (P-4), was employed in the subsection (R05d) of which I am Chief from 1 May 1945 to 1 March 1948. Through most of this period, Mr. Danziger was under my direct supervision, and I consider him to be a very capable engineer. I have had no contact with Mr. Danziger outside of office hours and therefore have no knowledge of his social activities or those of his family. I know of no reason to question his loyalty to the United States of America.

"Mr. Danziger has been a staunch defender of labor unions, particularly those of the CIO, and their rights in informal office discussions. During the recent GSI employees strike he did not patronize GSI cafeterias and suggested that others in the office do likewise. I have no definite knowledge as to his membership in the UPWA Government employees union.

"I have seen copies of Consumer's Union pamphlets on Mr. Danziger's desk; I do not know if he was a subscriber. I have never seen any literature in his possession which I would consider to be questionable. I have no knowledge of his affiliations with political, social, professional, or religious organizations.

"I have read the above statement consisting of one page and to the best of my knowledge is correct.

"April 12, 1948

"I, Charles S. Sandler, give the following voluntary statement to Special Agent Caleb L. Batten, who has identified himself to me as a special agent of the Federal Bureau of Investigation, U. S. Department of Justice:

"I have worked with William Danziger on two separate occasions at the Bureau of Ordnance, Navy Dept. I have had no social or other outside contacts with him, and any comments I make are based solely on my work contacts with him during the periods 1938 - 1942, and 1945 - 1948.

"I consider his engineering work to have been of high caliber, and I would not question his loyalty to the United States.

"I do not know whether he is or has been a member of Consumers Union, but I have on occasion seen copies of their reports on his desk.

"I believe he is a member of UPTA. I know of no other groups or organizations of which he is a member.

"I have read the statement on the obverse side of this sheet, and to the best of my knowledge it is correct and true.

Mr. PHILLAS H. GIROUARD, Chief Engineer, Bureau of Ordnance, United States Navy Department, Washington, D. C., stated he has known Mr. DANZIGER in a business way since 1938 when the employee was first attached to the Bureau of Ordnance, Washington, D. C. In 1942, DANZIGER was employed by the Brooklyn Navy Yard, New York, and later was transferred to Terminal Island, San Pedro, California. In 1945, the employee returned to the

Bureau of Ordnance, Navy Department, Washington, D. C., and from that time to Lerch, 1948, was on duty in Mr. GIROUARD's section. He said Mr. DANZIGER has never committed any acts or said anything which would cause him to question DANZIGER's loyalty in any way. Mr. GIROUARD believes DANZIGER to be entirely patriotic and loyal to our American form of Government.

Mr. CHARLES A. JOHNSTONE, Head of the Missile Launcher Section, Bureau of Ordnance, Navy Department, Washington, D. C., said he has been acquainted with Mr. and Mrs. WILLIAM DANZIGER both professionally and socially since the early part of 1945. At that time, Mr. DANZIGER was on duty with the Bureau of Ordnance at Terminal Island, California. In 1945, he was transferred to Washington, D. C., where he has been on duty as an Engineer since that time. He stated that during the time he has known DANZIGER, the employee has exhibited high character and there has never been any question regarding his loyalty or patriotism to the Government. Mr. JOHNSTONE said he has no knowledge of any organizations in which Mr. DANZIGER or his wife hold a membership. So far as Mr. JOHNSTONE has been in a position to tell, DANZIGER's friends and associates are people of good character and he has never known anything which would reflect upon their loyalty.

Mr. PAUL W. BURK, Head Engineer, Bureau of Ordnance, Navy Department, Washington, D. C., stated he has known Mr. DANZIGER in a professional way since 1938. He knows nothing concerning the employee's outside activities or associates; however, from his observation, Mr. DANZIGER has never done or said anything which would cause him to question his loyalty in any way. DANZIGER has always been trustworthy, and Mr. BURK believes the employee to be a patriotic, loyal American citizen. Mr. BURK stated he had no knowledge of any clubs or organizations to which the employee might belong.

Mr. MAURICE H. BALLER, Electrical Engineer, Missile Launcher Section, Bureau of Ordnance, Navy Department, Washington, D. C., said he has known DANZIGER since 1938 professionally and socially. He has a high respect for Mr. DANZIGER and has never heard the employee make any statements which would reflect upon him in any way. DANZIGER is highly trustworthy and Mr. BALLER believes him to be entirely loyal to the United States Government. Mr. BALLER stated that DANZIGER is not a member of any organizations so far as he knows.

Mr. ARTHUR J. STANTON, Head Engineer, Research and Development Section, Bureau of Ordnance, United States Navy Department, Washington, D. C., advised that he has known the employee in a professional way since 1938. DANZIGER served with the Bureau of Ordnance from 1938 to 1942 in

Washington, D. C. From 1942 to the spring of 1945, DANZIGER was on duty with the Navy in New York and California. In 1945, he returned to the Bureau of Ordnance, Washington, D. C., and is presently serving with the Naval Ordnance Laboratory at White Oaks, Maryland. From STANTON's knowledge of DANZIGER, he believes the employee to be a loyal citizen. STANTON has never had any reason to doubt DANZIGER's loyalty in any way. He stated he could make no comment concerning the employee's outside activities or his organizational membership.

Mr. MAX ELITCHER, 247 Delaware Avenue, S. W., Washington, D. C., Project Engineer, Research and Development Section, Bureau of Ordnance, Navy Department, Washington, D. C., said he has known Mr. DANZIGER since they were students at the City College of New York. While at the City College of New York, the employee was a member of the American Institute of Electrical Engineers. In December, 1938, Mr. ELITCHER and the employee came to Washington, D. C. together and resided at 1316 Delaware Place, N. W., Washington, D. C., from December, 1938, to February, 1939. In 1939, DANZIGER was married to SYLVIA FERLICH and, since that time, ELITCHER has been a close friend and social acquaintance of the DANZIGERS. He further advised that he and his wife have visited the DANZIGERS in their home on numerous occasions. He also said that he and Mr. DANZIGER are members of Local #3 of the United Public Workers of America, Navy Department Branch, and attend meetings of this organization together. Mr. ELITCHER stated that, when the employee and his wife returned to Washington, D. C. from San Pedro, California, in the spring of 1945, they resided in his home at 247 Delaware Avenue, S. W., for six or eight weeks while looking for a place to live. Mr. ELITCHER feels that Mr. and Mrs. DANZIGER are people of high character and unquestionable loyalty. He stated that he knew of no other organizations with which DANZIGER or his wife are affiliated other than the ones mentioned previously by him.

It has been ascertained from a reliable informant that MAX ELITCHER, 247 Delaware Avenue, S. W., Washington, D. C., was a member of the Washington Bookshop Association in February, 1948. The informant further advised that MAX ELITCHER, Engineer in the Navy Department, appeared on the membership list of the Washington Committee for Democratic Action in January, 1941.

Mr. GERALD KINZELMAN, Bureau of Ordnance, Research Division, United States Navy Department, Washington, D. C., stated he has known Mr. DANZIGER since 1938 in a business way and on occasion has met his wife. However, KINZELMAN does not feel he knows the DANZIGERS socially. During the time he has known the employee, DANZIGER has been strongly pro-union

and is a member of the United Public Workers of America. During the recent Government cafeteria strike, DANZIGER did not patronize the cafeterias and asked other people to cooperate. He also said that Mr. DANZIGER sends his oldest child to an Inter-Racial Nursery School sponsored by the United Public Workers of America, but he could furnish no details concerning this nursery school. According to Mr. KINZELMAN, he has never heard DANZIGER make any remarks or commit any acts which would cause him to suspect his loyalty to the United States Government. KINZELMAN believes the employee is entirely loyal to the United States.

Mr. ARON L. SUSSMAN, Mechanical Engineer, Bureau of Ordnance, Navy Department, Washington, D. C., advised he has been acquainted with the employee since 1937 or 1938 when they were attending City College of New York together. Since their college days, they have been associated professionally in the Bureau of Ordnance, United States Navy Department. He said he has always found DANZIGER to be highly trustworthy. He never heard or saw anything which might reflect in any way upon DANZIGER's character or loyalty. Mr. SUSSMAN said he was not familiar with the employee's outside activities or his associates and, therefore, he could make no statement as to whether DANZIGER or his wife belonged to any organizations such as the Communist Party. From his knowledge of DANZIGER, SUSSMAN does not believe the employee has any sympathies for Communism or that he has ever been connected in any way with a Communist Front organization.

Lieutenant Commander WILLIAM E. JEREMIAH, United States Navy Department, Washington, D. C., stated he knew the employee casually while the employee was working as an Engineer at Terminal Island, San Pedro, California. Commander JEREMIAH said he does not know DANZIGER well enough to make any comment concerning his loyalty.

Captain HENRY T. KOONCE, United States Navy Department, Washington, D. C., said he has known the employee since 1943 professionally. When he first knew him, DANZIGER was stationed at Terminal Island, San Pedro, California. While there, DANZIGER was very active in the local United Public Workers of America, CIO union, but KOONCE considers none of his actions as reflecting on his loyalty in any way. So far as Captain KOONCE knows, DANZIGER was entirely trustworthy and loyal. He does not know if DANZIGER or his wife are members of any organizations such as the Communist Party.

Mr. HAMILTON E. DOW, Civilian in Charge of Design Weights Section, Bureau of Ships, United States Navy Department, Washington, D. C., advised he has known the DANZIGERS since 1943. In 1943, he and Mr. DANZIGER were employed together at Terminal Island, San Pedro, California. He stated

that while in California, they were also socially acquainted. However, since the spring of 1945, they have only known each other in a business way. While in California, Mr. and Mrs. DANZIGER resided at 2270 Belmont Avenue, Long Beach, California. He said that he knew of no organizations to which either the employee or his wife belonged other than the United Public Workers of America. Mr. DANZIGER is pro-labor and was active in the labor union at Terminal Island. He stated that none of these activities would reflect upon DANZIGER's loyalty in any way and he, Mr. DOW, believes DANZIGER and his wife to be entirely patriotic and loyal American citizens.

Mr. JOHN V. ATONASOFF, Chief of the Acoustics Division, Naval Ordnance Laboratory, United States Navy Department, White Oaks, Maryland, stated he has only known the employee for the past six weeks during which time the employee has been assigned to the Naval Ordnance Laboratory at White Oaks. He stated that from talking and working with DANZIGER during this period, he believes him thoroughly American and has no question regarding his loyalty. He stated that he was unable to make any further comment regarding Mr. DANZIGER.

Mr. CHARLES M. MEDFORD, 925 15th Street, N. W., Washington, D. C., advised that Mr. and Mrs. DANZIGER resided in Apartment 303 at 2517 K Street, N. W., during the latter part of 1939 and early part of 1940. Mr. MEDFORD said he did not know the DANZIGERS well enough to comment on their loyalty to the Government.

Mrs. LUCILLE MALCOFF, Apartment 2, 4336 Halley Terrace, S. E., Washington, D. C., could furnish no information regarding Mr. and Mrs. DANZIGER.

Mrs. MAUDE E. FRABER, Resident Manager at 1466 Columbia Road, N. W., for ten years, Mrs. ELMER H. STEPHENS, Apartment 21, above address, and Mr. CARL STECKERL, Apartment 25, the same address, residents of this address for 9½ years, all advised they did not know the employee.

Mrs. MARY HEATHERLEY, Apartment 21, 1466 Columbia Road, N. W., Washington, D. C., a resident at this address for more than eleven years, said she recalled that Mr. and Mrs. DANZIGER lived in the apartment house but she could furnish no information relative to their loyalty or character.

C., prior to his death in the early 1940's, stated they could furnish no information regarding WILLIAM DANZIGER.

Mrs. ELSIE COLE, owner and Manager of the apartment house at 2819 S Street, S. E., Washington, D. C., advised that Mr. and Mrs. DANZIGER resided at this address during 1940 and 1941. She said she thought they seemed to be people of good character. She did not know them well enough to comment on their loyalty to the Government. This report is a joint report of Special Agent CALEB L. BATTEN and Special Agent M. S. WA LACE. Agent WALLACE conducted the neighborhood investigations at 1909 19th Street, N. W., 2517 K Street, N. W., 4342 Halley Terrace, S. E., and 1466 Columbia Road, N. W., all Washington, D. C.

Records at the University of Maryland reflect that DANZIGER enrolled in the course "Advance Machine Design" on February 12, 1946 and attended through June, 1946. His instructor was GERALD KINZELMAN, previously referred to in this report. In information appeared in the school records pertaining to the loyalty of the employee.

Mr. and Mrs. NELSON BOUFFARD, Apartment 700, 1909 19th Street, N. W., Washington, D. C., advised that they could make no statement regarding the character or loyalty of the employee and his wife.

Mrs. MARK HARRIS, Apartment 605, 1909 19th Street, N. W., Washington, D. C., said she and her husband have known the employee and his wife for more than two years. The two families became acquainted through Mr. HARRIS and Mr. DANZIGER being members of the same local of the United Public Workers, CIO. Mrs. HARRIS said the DANZIGERS were instrumental in the HARRISES being able to rent their present apartment. She stated the two families see a good deal of each other. Mrs. HARRIS further stated that she knew of nothing which might indicate that Mr. DANZIGER is not completely loyal to the United States and its form of Government. She said that, except for Mr. DANZIGER's membership in the United Public Workers union, she had no knowledge of any membership which he might hold in other organizations.

It should be noted that a reliable informant advised the Washington Field Office of the Federal Bureau of Investigation that MARK HARRIS, 922 Ridge Road, S. E., Washington, D. C., was a member of the Washington Bookshop Association on February 18, 1944.

It is to be noted that the Washington Bookshop Association, also formerly known as the Washington Cooperative Bookshop Association, appears on the list of organizations named by the Attorney General on November 24, 1947 as being within the purview of Executive Order 9835.

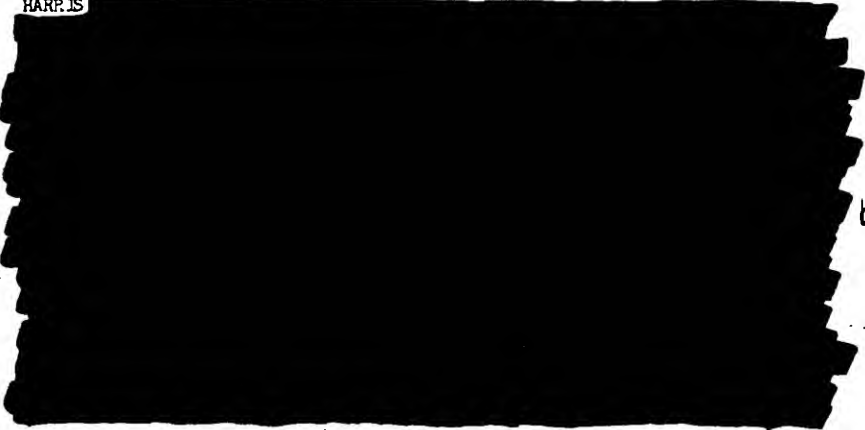

Another reliable informant advised the Louisville Division of the Federal Bureau of Investigation in March, 1942, that MARK HARRIS

The following background information was obtained from the employee's personnel file at the Naval Ordnance Laboratory, United States Naval Gun Factory, Washington, D. C.

WILLIAM DANZIGER presently resides at 1909 19th Street, N. W., Washington, D. C. He was born April 18, 1918 at New York City. His father is AVON DANZIGER, born May 1, 1887, Poland. His mother, TILLIE SCHICKMAN DANZIGER, was born May 22, 1890 in Poland. Both were naturalized in May, 1920, and presently reside at 699 Beck Street, New York City. His wife is SYLVIA EHRLICH DANZIGER, who was born SYLVIA SANDRA EHRLICH on January 3, 1919 at New York City. DANZIGER attended Stuyvesant High School, New York City, and graduated from the City College of New York in January, 1938. He attended the University of Maryland at College Park, Maryland during 1946.

DANZIGER was employed as an Electrician's Helper with the Commercial Electric Company, 160 Spring Street, New York City, from July to September of the years 1936, 1937 and 1938. On November 2, 1938, he was appointed Junior Engineer Electrician, Bureau of Ordnance, United States Navy Department, Washington, D. C. In August, 1941, DANZIGER resigned from the Navy Department and from August to December, 1941, was employed as Electrician Inspector, Fire Department, New York City. On January 1, 1942, he entered on duty with the Industrial Department, United States Navy Yard, Brooklyn, New York as an Ordnance Engineer. He served in this capacity until April 2, 1943 when he was transferred to the United States Naval Dry Docks, Terminal Island, San Pedro, California, as an Electrical Engineer. On April 17, 1945, DANZIGER received the first Commendation Award ever to be presented at the United States Naval Dry Docks, Terminal Island, California. This Award was given for DANZIGER's suggestion concerning an index of ordnance alterations. The Award stated, "DANZIGER has displayed outstanding initiative and resourcefulness by contributing a suggestion,

"the adoption of which has materially aided war production." On May 1, 1945, he was transferred from the United States Naval Dry Docks, Terminal Island, San Pedro, California, to the Bureau of Ordnance, United States Navy Department, Washington, D. C. DANZIGER received an intra-agency transfer on March 2, 1948 from Gun Mount Design Engineer, Bureau of Ordnance, to the position of Electrical Engineer, Research Department, Acoustics Division, Naval Ordnance Laboratory, Navy Yard, Washington, D. C. His present position is one of a supervisory capacity.

II. BASIS FOR INVESTIGATION

The House Committee on Un-American Activities files reflect that Mr. and Mrs. WILLIAM DANZIGER, 2819 S Street, S. E., Washington, D. C., were listed as members of the Washington Committee for Democratic Action.

It should be noted that the Washington Committee for Democratic Action appears on the list of organizations named by the Attorney General, TOM C. CLARK, on November 24, 1947 as being within the purview of Executive Order 9835.

Washington T-1, of known reliability, advised that in February, 1941, Mr. and Mrs. WILLIAM DANZIGER, 2819 S Street, S. E., Washington, D. C., were active members of the American Peace Mobilization.

It should be noted that the American Peace Mobilization, upon the German invasion of Russia in 1941, became known as the American People's Mobilization. The American Peace Mobilization appears on the list of organizations named by the Attorney General on November 24, 1947 as being within the purview of Executive Order 9835.

III. SUMMARY OF INVESTIGATION

The files of the House Committee on Un-American Activities reflect in addition to the above information that Mrs. SYLVIA DANZIGER, Chairman of the Women's Auxiliary, United Public Workers, Washington, D. C., Inter-Racial Nursery School Project, appears in the "Blackboarder", April, 1947, Page 5.

Washington T-1, who upon re-contact advised that he had no additional information regarding the DANZIGERS, refused to furnish a signed statement and will not appear before a Loyalty Review Board.

WFO 101-319

The April issue of the "Bookshopper," official monthly publication of the Washington Cooperative Bookshop, 916 17th Street, N. W., Washington, D. C., carried an article headed, "Washington Has Inter-Racial Nursery." The article follows:

"The Women's Auxiliary of the United Public Workers of America - CIO has recently opened an inter-racial nursery school project.

"The nursery will accommodate about 30 negro and white youngsters. Through this project, the Auxiliary hopes to demonstrate to the community the need for the workability of non-segregated education.

"This nonprofit school is held at the Lincoln Temple Congressional Church, 11th and R Streets, N. W., Washington, D. C. It accepts children 3 to 5 years old and is open from 9 a.m. to 1 p.m."

The following persons are listed as officers of the Inter-Racial Nursery School Project by the "Bookshopper": Treasurer, Mrs. SALLY BALICH, 1275 Brentwood Road, N. E.; Mrs. PEGGY KETZMAN, Director at the School; and Mrs. SYLVIA DANZIGER, Chairman, phone no. Hobart 3127.

The Washington, D. C. Telephone Directory lists Hobart 3127 as the phone number of WILLIAM DANZIGER, 1909 19th Street, N. W., Washington, D. C.

Washington T-2, a member of the Communist Party who over a long period of time has furnished reliable information, advised that

Washington T-2 refused to give a signed statement and would not consent to appear before a Loyalty Review Board.

It should be noted that the Communist Party, USA, appears on the list of organizations named by Attorney General TOM C. CLARK on November 24, 1947 as being within the purview of Executive Order 9835.

Washington T-3, of unquestioned reliability, advised that SYLVIA DANZIGER was a Cashier working at the American Youth Congress Annual Convention in Washington, D. C. on February 7, 8 and 9, 1941.

It should be noted that the American Youth Congress appears on the list of organizations named by Attorney General TOM C. CLARK on November 24, 1947 as being within the purview of Executive Order 9835.

The employee states in his Loyalty Questionnaire that he is a member of the Consumers Union.

The Consumers Union was cited as under Communist control, influenced or in collaboration with the Communist Party by the Committee for Cultural Freedom, Professor JOHN DEWEY, Chairman, April, 1940. Cited as "subversive and un-American" by the Special Committee of the House Committee on Appropriations Report, April 21, 1943 (Page 3) "on its Labor Advisory Board with BEN GOLD, an avowed Communist and leader of the Joint Board Furriers Union, MICHAEL QUILL, LOUIS WEINSTOCK, and other labor leaders." (New York City Council Committee Investigating the Municipal Civil Service Commission, pt. II, p. 81). Cited as a Communist Front organization by the Pennsylvania Commonwealth Council before the Reviewing Board of the Philadelphia County Board of Assistants, January, 1942. Cited as a Communist Front (California Committee on Un-American Activities Report, 1943, Page 102). Cited as a Communist Front by the Special Committee on Un-American Activities, March 29, 1944.

At 1909 19th Street, N. W., Washington, D. C., where the employee presently resides, Mr. WILLIAM R. McDONOUGH, Apartment 402, said he has known the employee and his family as neighbors for about two years and that he and Mrs. McDONOUGH until recently have taken care of the DANZIGER children whenever Mr. and Mrs. DANZIGER desired to go out for a social evening. He said, "I consider Mr. DANZIGER to be a left-winger or a liberal." He said he based his opinion to the above statement on the fact that Mr. DANZIGER subscribes to the New York City daily newspaper "P. M." and is a member of the Consumers Union. Mr. McDONOUGH said he considers "P. M." to be "a liberal newspaper" because he believes it customarily sponsors the cause of the consumer and the working man against exploitation by business interests. He said he considers the Consumers Union to be "a liberal organization" because he believes it to be an organization whose efforts are devoted to furthering the extent to which the Government protects the interest of the consumer from false advertising and inferior products which might be offered to the public by business interest.

Mr. McDONOUGH said he considers Mr. DANZIGER to be loyal to the United States form of Government and stated that Mr. DANZIGER's conversations reflect he is very conscientious about trying to properly perform the duties of his job. Mr. McDONOUGH said, "I definitely do not consider him to be radical," and he stated by this he meant, "I do not believe Mr. DANZIGER would have any part in any plan to try to overthrow the United States Government by force or that he would consider such a plan." Mr. McDONOUGH said he knew of no organizations to which the employee might belong other than those

already mentioned. He said he based his statement to the effect that Mr. DANZIGER subscribes to "P. M." and is a member of the Consumers Union on the fact that when in the DANZIGER apartment, he has observed current issues of "P. M." and current publications of the Consumers Union. Mr. McDONOUGH said he preferred not to furnish a signed statement, but he has no objection to testifying before a Loyalty Review Board.

Mrs. MARY ANN McDONOUGH, wife of Mr. WILLIAM McDONOUGH, said that she and her husband were, until recently, good friends of the DANZIGERS. She said that Mrs. DANZIGER is some kind of officer of an inter-racial nursery school for small children of all races, which school is held in the basement of a nearby church, but she was unable to give the exact location or name of the church. She stated that Mrs. DANZIGER is active in advertising various social events, the proceeds of which are intended for the benefit of the inter-racial nursery school. Mrs. McDONOUGH described Mrs. DANZIGER as being without any racial prejudice and as having expressed her gladness over the fact that her four-year-old daughter can attend such a nursery school. Mrs. McDONOUGH said that Mrs. DANZIGER is a member of the Women's Auxiliary of the local CIO Union to which Mr. DANZIGER belongs. However, she did not know the name of the labor union. She also stated that Mrs. DANZIGER regularly attended meetings of this Auxiliary. Mrs. McDONOUGH said, relative to the associates of the DANZIGERS, that practically all of their friends are employees of some branch of the Government in Washington, D. C.; however, she added that from time to time people from California and New York called on the DANZIGERS when they were in Washington, D. C. Mrs. McDONOUGH said that she based this statement on information furnished to her by Mrs. DANZIGER. Mrs. McDONOUGH said she was unable to furnish the names of these individuals. She further stated that the DANZIGERS have two friends in the persons of a well-educated colored woman and her husband and that this couple are frequent social visitors to the DANZIGER apartment. Mrs. McDONOUGH said she understood from remarks of Mrs. DANZIGER's that the colored lady referred to is prominent in the activities of the inter-racial nursery school. She said that Mr. and Mrs. MARK HARRIS, Apartment 605, 1909 19th Street, N. W., Washington, D. C. are very good friends of the DANZIGERS. She said she had no knowledge of anything bearing directly on the DANZIGERS' loyalty to the United States. Mrs. McDONOUGH said she preferred not to sign a statement but would have no objection to testifying before a Loyalty Review Board.

Mrs. M. J. HUGHES, Apartment 704, 1909 19th Street, N. W., Washington, D. C., said she could not make any statement as to the loyalty of the employee or his wife and added that her acquaintance with Mr. and Mrs. DANZIGER had been very limited. She further advised that Mr. and Mrs. MARK HARRIS, who reside in Apartment 605 at the above address, are close friends of the DANZIGERS.

Mr. and Mrs. NELSON BOUFFARD, Apartment 700, 1909 19th Street, N. W., Washington, D. C., advised that they could make no statement regarding the character or loyalty of the employee and his wife.

Mrs. MARK HARRIS, Apartment 605, 1909 19th Street, N. W., Washington, D. C., said she and her husband have known the employee and his wife for more than two years. The two families became acquainted through Mr. HARRIS and Mr. DANZIGER being members of the same local of the United Public Workers, CIO. Mrs. HARRIS said the DANZIGERS were instrumental in the HARRISES being able to rent their present apartment. She stated the two families see a good deal of each other. Mrs. HARRIS further stated that she knew of nothing which might indicate that Mr. DANZIGER is not completely loyal to the United States and its form of Government. She said that, except for Mr. DANZIGER's membership in the United Public Workers union, she had no knowledge of any membership which he might hold in other organizations.

It should be noted that a reliable informant advised the Washington Field Office of the Federal Bureau of Investigation that MARK HARRIS, 922 Ridge Road, S. E., Washington, D. C., was a member of the Washington Bookshop Association on February 18, 1944.

It is to be noted that the Washington Bookshop Association, also formerly known as the Washington Cooperative Bookshop Association, appears on the list of organizations named by the Attorney General on November 24, 1947 as being within the purview of Executive Order 9835.

The following is a signed statement by SIDNEY HERSH, Bureau of Ordnance, United States Navy Department, Washington, D. C. Mr. HERSH stated that he was willing to testify before a Loyalty Review Board if necessary.

"April 13, 1948

"I, Sidney Hersh, give the following voluntary statement to Special Agent Caleb L. Batten, who has identified himself to me as a Special Agent, Federal Bureau of Investigation, United States Department of Justice.

"I have known William Dansiger since 1937 when we were both students at the College of the City of New York. I knew him only slightly then and became more familiar and friendly with him during the two periods 1938 to 1941 and 1945 to 1948 (approx.) that he spent working in the Bureau of Ordnance, Research and Development Division where I have been

"employed for the past ten years.

"Mr. Danziger, is a member of the United Public Workers, CIO, in which he holds the position of Steward, Defense Branch, Local #3. He is also a member of Group Health, Inc. I believe he subscribes to or is a member of Consumers Union. I can think of no other organization of which he is a member.

"There is no question in my mind as to his loyalty. I am certain that he is completely loyal to the American Government and that he is neither a member of, nor in sympathy with, the Communist Party or the Russian Government.

"I have also met Mr. Danziger's wife and consider her to be loyal to the United States government. I am under the impression that Mrs. Danziger is a member of the Women's Auxiliary of the UFW, CIO. I gained this impression from the fact that she is active in the Inter-Racial Nursery School to which she sends her young daughter.

"William Danziger, Ordnance Engineer (P-4), was employed in the subsection (Re5d) of which I am Chief from 1 May 1945 to 1 March 1948. Through most of this period, Mr. Danziger was under my direct supervision, and I consider him to be a very capable engineer. I have had no contact with Mr. Danziger outside of office hours and therefore have no knowledge of his social activities or those of his family. I know of no reason to question his loyalty to the United States of America.

"Mr. Danziger has been a staunch defender of labor unions, particularly those of the CIO, and their rights in informal office discussions. During the recent GSI employees strike he did not patronize GSI cafeterias and suggested that others in the office do likewise. I have no definite knowledge as to his membership in the UPWA Government employees union.

"I have seen copies of Consumer's Union pamphlets on Mr. Danziger's desk; I do not know if he was a subscriber. I have never seen any literature in his possession which I would consider to be questionable. I have no knowledge of his affiliations with political, social, professional, or religious organizations.

Washington Confidential Informant T-6, a reliable informant, recently reported that Local #3 of the UPWA is a Communist-dominated union local. T-6 will not give a signed statement or appear before a Loyalty Hearing Board.

Mr. PHILLIP H. GIRONIARD, Chief Engineer, Bureau of Ordnance, United States Navy Department, Washington, D. C., stated he has known Mr. DANZIGER in a business way since 1938 when the employee was first attached to the Bureau of Ordnance, Washington, D. C. In 1942, DANZIGER was employed by the Brooklyn Navy Yard, New York, and later was transferred to Terminal Island, San Pedro, California. In 1945, the employee returned to the

Bureau of Ordnance, Navy Department, Washington, D. C., and from that time to March, 1948, was on duty in Mr. GIRONARD's section. He said Mr. DANZIGER has never committed any acts or said anything which would cause him to question DANZIGER's loyalty in any way. Mr. GIRONARD believes DANZIGER to be entirely patriotic and loyal to our American form of Government.

Mr. CHARLES A. JOHNSTONE, Head of the Missile Launcher Section, Bureau of Ordnance, Navy Department, Washington, D. C., said he has been acquainted with Mr. and Mrs. WILLIAM DANZIGER both professionally and socially since the early part of 1945. At that time, Mr. DANZIGER was on duty with the Bureau of Ordnance at Terminal Island, California. In 1945, he was transferred to Washington, D. C., where he has been on duty as an Engineer since that time. He stated that during the time he has known DANZIGER, the employee has exhibited high character and there has never been any question regarding his loyalty or patriotism to the Government. Mr. JOHNSTONE said he has no knowledge of any organizations in which Mr. DANZIGER or his wife hold a membership. So far as Mr. JOHNSTONE has been in a position to tell, DANZIGER's friends and associates are people of good character and he has never known anything which would reflect upon their loyalty.

Mr. PAUL W. BURK, Head Engineer, Bureau of Ordnance, Navy Department, Washington, D. C., stated he has known Mr. DANZIGER in a professional way since 1938. He knows nothing concerning the employee's outside activities or associates; however, from his observation, Mr. DANZIGER has never done or said anything which would cause him to question his loyalty in any way. DANZIGER has always been trustworthy, and Mr. BURK believes the employee to be a patriotic, loyal American citizen. Mr. BURK stated he had no knowledge of any clubs or organizations to which the employee might belong.

Mr. MAURICE H. BALLER, Electrical Engineer, Missile Launcher Section, Bureau of Ordnance, Navy Department, Washington, D. C., said he has known DANZIGER since 1938 professionally and socially. He has a high respect for Mr. DANZIGER and has never heard the employee make any statements which would reflect upon him in any way. DANZIGER is highly trustworthy and Mr. BALLER believes him to be entirely loyal to the United States Government. Mr. BALLER stated that DANZIGER is not a member of any organizations so far as he knows.

Mr. ARTHUR J. STANTON, Head Engineer, Research and Development Section, Bureau of Ordnance, United States Navy Department, Washington, D. C., advised that he has known the employee in a professional way since 1938. DANZIGER served with the Bureau of Ordnance from 1938 to 1942 in

Washington, D. C. From 1942 to the spring of 1945, DANZIGER was on duty with the Navy in New York and California. In 1945, he returned to the Bureau of Ordnance, Washington, D. C., and is presently serving with the Naval Ordnance Laboratory at White Oaks, Maryland. From STANTON's knowledge of DANZIGER, he believes the employee to be a loyal citizen. STANTON has never had any reason to doubt DANZIGER's loyalty in any way. He stated he could make no comment concerning the employee's outside activities or his organizational membership.

Mr. MAX ELITCHER, 247 Delaware Avenue, S. W., Washington, D. C., Project Engineer, Research and Development Section, Bureau of Ordnance, Navy Department, Washington, D. C., said he has known Mr. DANZIGER since they were students at the City College of New York. While at the City College of New York, the employee was a member of the American Institute of Electrical Engineers. In December, 1938, Mr. ELITCHER and the employee came to Washington, D. C. together and resided at 1316 Delaware Place, N. W., Washington, D. C., from December, 1938, to February, 1939. In 1939, DANZIGER was married to SYLVIA EHRLICH and, since that time, ELITCHER has been a close friend and social acquaintance of the DANZIGERS. He further advised that he and his wife have visited the DANZIGERS in their home on numerous occasions. He also said that he and Mr. DANZIGER are members of Local #3 of the United Public Workers of America, Navy Department Branch, and attend meetings of this organization together. Mr. ELITCHER stated that, when the employee and his wife returned to Washington, D. C. from San Pedro, California, in the spring of 1945, they resided in his home at 247 Delaware Avenue, S. W., for six or eight weeks while looking for a place to live. Mr. ELITCHER feels that Mr. and Mrs. DANZIGER are people of high character and unquestionable loyalty. He stated that he knew of no other organizations with which DANZIGER or his wife are affiliated other than the ones mentioned previously by him.

It has been ascertained from a reliable informant that MAX ELITCHER, 247 Delaware Avenue, S. W., Washington, D. C., was a member of the Washington Bookshop Association in February, 1948. The informant further advised that MAX ELITCHER, Engineer in the Navy Department, appeared on the membership list of the Washington Committee for Democratic Action in January, 1941.

Mr. GERALD KINZELMAN, Bureau of Ordnance, Research Division, United States Navy Department, Washington, D. C., stated he has known Mr. DANZIGER since 1938 in a business way and on occasion has met his wife. However, KINZELMAN does not feel he knows the DANZIGERS socially. During the time he has known the employee, DANZIGER has been strongly pro-union

and is a member of the United Public Workers of America. During the recent Government cafeteria strike, DANZIGER did not patronize the cafeterias and asked other people to cooperate. He also said that Mr. DANZIGER sends his oldest child to an Inter-Racial Nursery School sponsored by the United Public Workers of America, but he could furnish no details concerning this nursery school. According to Mr. KINZELMAN, he has never heard DANZIGER make any remarks or commit any acts which would cause him to suspect his loyalty to the United States Government. KINZELMAN believes the employee is entirely loyal to the United States.

Mr. ARON L. SUSSMAN, Mechanical Engineer, Bureau of Ordnance, Navy Department, Washington, D. C., advised he has been acquainted with the employee since 1937 or 1938 when they were attending City College of New York together. Since their college days, they have been associated professionally in the Bureau of Ordnance, United States Navy Department. He said he has always found DANZIGER to be highly trustworthy. He never heard or saw anything which might reflect in any way upon DANZIGER's character or loyalty. Mr. SUSSMAN said he was not familiar with the employee's outside activities or his associates and, therefore, he could make no statement as to whether DANZIGER or his wife belonged to any organizations such as the Communist Party. From his knowledge of DANZIGER, SUSSMAN does not believe the employee has any sympathies for Communism or that he has ever been connected in any way with a Communist Front organization.

Lieutenant Commander WILLIAM E. JEREMIAH, United States Navy Department, Washington, D. C., stated he knew the employee casually while the employee was working as an Engineer at Terminal Island, San Pedro, California. Commander JEREMIAH said he does not know DANZIGER well enough to make any comment concerning his loyalty.

Captain HENRY T. KOONCE, United States Navy Department, Washington, D. C., said he has known the employee since 1943 professionally. When he first knew him, DANZIGER was stationed at Terminal Island, San Pedro, California. While there, DANZIGER was very active in the local United Public Workers of America, CIO union, but KOONCE considers none of his actions as reflecting on his loyalty in any way. So far as Captain KOONCE knows, DANZIGER was entirely trustworthy and loyal. He does not know if DANZIGER or his wife are members of any organizations such as the Communist Party.

Mr. HAMILTON H. DOW, Civilian in Charge of Design Weights Section, Bureau of Ships, United States Navy Department, Washington, D. C., advised he has known the DANZIGERS since 1943. In 1943, he and Mr. DANZIGER were employed together at Terminal Island, San Pedro, California. He stated

that while in California, they were also socially acquainted. However, since the spring of 1945, they have only known each other in a business way. While in California, Mr. and Mrs. DANZIGER resided at 2270 Belmont Avenue, Long Beach, California. He said that he knew of no organizations to which either the employee or his wife belonged other than the United Public Workers of America. Mr. DANZIGER is pro-labor and was active in the labor union at Terminal Island. He stated that none of these activities would reflect upon DANZIGER's loyalty in any way and he, Mr. DOW, believes DANZIGER and his wife to be entirely patriotic and loyal American citizens.

Mr. JOHN V. RESULTS OF INVESTIGATION

The records of the Health Department, New York City, reflect that the employee was born on April 18, 1918 in New York City, to AVON and TILLIE DANZIGER. This record further reflects that both of the parents were born in Poland, AVON, the father in 1887 and TILLIE, the mother, in 1890.

The records of the Immigration and Naturalization Service, New York City, were checked for information concerning the naturalization of the employee's parents but no record could be found.

The records at Stuyvesant High School, New York City, reflect that the employee attended school there from February, 1931 to January, 1934.

The records of the Registrar's Office, City College of New York, reflect that WILLIAM DANZIGER entered City College in February, 1934, as a candidate for a degree in Electrical Engineering. The records further reflect that on June 4, 1938, DANZIGER was graduated and was awarded a Bachelor of Electrical Engineering degree. These records contained no information pertinent to the loyalty of the employee.

Miss JUNE BAYER, Secretary, Commercial Electric Company, formerly at 160 Spring Street, New York City, now located at 412 West Broadway, New York City, advised that the records of her office indicated WILLIAM DANZIGER was employed as a helper in the electrical shop from June, 1938 to September, 1938. She further stated that he had never made any statement in her presence during the time he was with the Commercial Electric Company that would lead her to believe he was other than a loyal American citizen. She said that there was no one now employed by the Commercial Electrical Company who was there during the time that the employee, DANZIGER, was there.

The records of the New York Navy Yard, Brooklyn, New York, reflect that WILLIAM DANZIGER received a temporary appointment with the Bureau of Ordnance, Navy Department, Washington, D.C., as assistant mechanical engineer from November 2, 1938 until August 14, 1941. The record further indicates that DANZIGER was re-employed as an assistant ordnance engineer from December 12, 1941 and this re-appointment became effective on March 23, 1942. Mr. LOU GAMBERT, Assistant Engineer, New York City Fire Department, Municipal Building, New York City, advised that DANZIGER had worked under his direct supervision during the time he was employed by the Fire Department and that he had never heard him make any statement that could cause him to doubt DANZIGER'S loyalty to the United States. RECOMMENDATION:

As noted above, the erroneous information included in the Washington Field Office report dated April 24, 1948, by former Special Agent Caleb L. Batten does not pertain to Dansiger himself but refers to a neighbor and a close acquaintance of Dansiger. From a review of the Washington Field Office report submitted by former Special Agent Batten, who resigned from the Bureau on August 27, 1948, it is obvious that the only person who could have detected that the information concerning Mrs. Mark Harris was erroneously reported, was former Special Agent Batten himself. It is not believed that the Supervisor or whoever approved the report in the Washington Field Office could have possibly detected this error.

Although the Civil Service Commission has advised that Dansiger resigned from Government service prior to his loyalty case being adjudicated, it is felt that we should correct the reports in this case. Therefore, a letter is attached to the Washington Field Office directing that corrected pages be submitted. Upon receipt of these pages, appropriate arrangements will be made through liaison to obtain the copies of the report in question and have corrected pages inserted.

PURPOSE:

To have Washington Field Office submit corrected pages in the case of William Dansiger, previously investigated under Executive Order 9835. Information regarding one Mark Harris appeared in WFO report on Dansiger. During a current investigation of Mark Harris, a Navy Department employee, it was determined that part of the disloyal information set forth in the Dansiger case concerning this Mark Harris does not in fact pertain to him.

BACKGROUND:

William Dansiger was investigated by this Bureau under Executive Order 9835. The results of this investigation were transmitted to the Civil Service Commission by letter dated June 4, 1948, and by letter dated February 2, 1950, the Chairman of the Loyalty Review Board advised that Dansiger had resigned or was otherwise separated from Federal service prior to decision on loyalty. The report of Special Agent Caleb L. Button, dated April 24, 1948, at Washington, D. C., concerning Dansiger reflects that Mrs. Mark Harris was interviewed, at which time she stated that she and her husband had known Dansiger and his wife for more than two years. After setting forth the interview of Mrs. Mark Harris, the WFO report reflects disloyal information concerning Mark Harris.

A current investigation is presently being conducted concerning Mark Harris, a Navy Department employee, based on information that he was a member of a Communist Party cell in Washington, D. C., a member of the Washington Book Shop Association, Chairman of a committee of the United Federal Workers of America, and a member of a branch of the Communist Party in New Jersey. During the investigation of this individual, the WFO has determined that part of the disloyal information set forth concerning Mark Harris in their report on William Dansiger does not actually pertain to this Mark Harris, but concerns a Mark Harris who was previously investigated under the caption, [redacted]

RECOMMENDATION:

As noted above, the erroneous information included in the Washington Field Office report dated April 24, 1948, by former Special Agent Caleb L. Betten does not pertain to Damsiger himself but refers to a neighbor and a close acquaintance of Damsiger. From a review of the Washington Field Office report submitted by former Special Agent Betten, who resigned from the Bureau on August 27, 1948, it is obvious that the only person who could have detected that the information concerning Mrs. Mark Harris was erroneously reported, was former Special Agent Betten himself. It is not believed that the Supervisor or whoever approved the report in the Washington Field Office could have possibly detected this error.

Although the Civil Service Commission has advised that Damsiger resigned from Government service prior to his loyalty case being adjudicated, it is felt that we should correct the reports in this case. Therefore, a letter is attached to the Washington Field Office directing that corrected pages be submitted. Upon receipt of these pages, appropriate arrangements will be made through liaison to obtain the copies of the report in question and have corrected pages inserted.
